

progress reports, as well as final financial and narrative reports at the conclusion of the grant period. The grant award document will specify the dates your reports are due.

(b) Send the original reports to the NHPRC, National Archives and Records Administration, 700 Pennsylvania Avenue, NW, Washington, DC 20408-0001. One copy of each records project narrative report must be sent to the State historical records coordinator if the board reviewed the proposal. Other records projects should send courtesy copies of narrative reports to State coordinators whose States are involved in or affected by the project. Provide the names of individuals to whom copies of the report have been sent when submitting the original report to the NHPRC.

**§ 1206.72 What is the format and content of the financial report?**

You must submit financial reports on Standard Form 269 and have them signed by the grantee's authorized representative or by an appropriate institutional fiscal officer. If cost sharing figures are 20 percent less than anticipated in the project budget you must explain the reason for the difference.

**§ 1206.74 What is the format and content of the narrative report?**

(a) Interim narrative reports should summarize briefly the objectives and activities for the entire grant and then focus on those accomplished during the reporting period. The report should include a summary of project activities; whether the project proceeded on schedule; any revisions of the work plan, staffing pattern, or budget; and any web address created by the project. It should include an analysis of the goals met during the reporting period and any goals for the period that were not accomplished. For documentary editing projects, it also must include information about the publication of volumes and the completion of finding aids, as well as any work that is pending with publishers.

(b) The final report must provide a detailed assessment of the project, following the format in paragraph (a) of this section, including whether the goals set in the original proposal were

realistic; whether there were unpredicted results or outcomes; whether the project encountered unexpected problems and how you faced them; and how you could have improved the project. You must discuss the project's impact, if any, on the grant-receiving institution and others. You must indicate whether all or part of the project activities will be continued after the end of the grant, whether any of these activities will be supported by institutional funds or by grant funds, and if the NHPRC grant was instrumental in obtaining these funds.

(c) The project director must sign narrative reports.

**§ 1206.76 What additional materials must I submit with the final narrative report?**

(a) For records-related projects, you are required to send the NHPRC three copies of any finding aids, reports, manuals, guides, forms, articles about the project, and other materials produced about or based on the grant project at the time that the final narrative report is submitted.

(b) Documentary editing projects must send the NHPRC three copies of any book edition unless support for their publication was provided by an NHPRC subvention grant. For those volumes, presses rather than projects are responsible for submitting the required number of volumes (see § 1206.18(d)). Projects with microform editions must send the NHPRC three copies of the microform guides and indexes produced by the project.

**§ 1206.78 Does the NHPRC have any liability under a grant?**

No, the National Archives and Records Administration (NARA) and the Commission cannot assume any liability for accidents, illnesses, or claims arising out of any work undertaken with the assistance of the grant.

**§ 1206.80 Must I acknowledge NHPRC grant support?**

Yes, grantee institutions, grant project directors, or grant staff personnel may publish results of any work supported by an NHPRC grant without review by the Commission; however,
